- If you require activation of multiple OPI Pins, please select "Yes" to the question, "Do you require activation of multiple OPI Pins?".
- If you are also a Site Coordinator, please select "Yes" to the question, "Do you want to take the Site Coordinator course?". Saying Yes to that question will make the Site Coordinator Training document available.
- When registering, the questions: "Are you an instructor?" and "Are you an IRS SPEC Territory Manager?" default to No. Please select those roles if they pertain to you.
- Continue to fill in the registration form with your first and last name, address, email address, and other information.

- When registering, you must create a Login Name and password to use every time you return to VITA/ TCE Central. The same login and password can be used every tax season. Note that the Test site does not allow two users to have the same Login. You'll need a unique Login that is not currently in the system.
- Passwords are case sensitive.
- The system will allow only one account per email address. In case your email address
  has changed, you can update your email address by clicking on the My Account tab after
  logging in. If you already have an account, the system will not allow you to create a new
  account with the same email address. If you can't remember your old Login and/or

  an email with your Login Name and a link to reset the password.
- Should you ever forget your password, a valid email address is required to send you a new password.
- Optional: Professional Status. This field must be completed by all volunteers requesting IRS SPEC Continuing Education (CE) Credits. A minimum score of 80% is required to pass each certification test. Only volunteers who have passed the Advanced exam may choose to test for the Military and International certifications. The new Site Coordinator test is an annual requirement. Site coordinators must achieve a passing score of 80% or higher prior to the site opening. You are allowed two attempts to take each exam.

To take an exam:

- Click on the tab for the certification path you want to complete. All the exams available for each certification path will be listed under the corresponding tabs.
